This Months Bill Reflects the New Rates

As you may have noticed. The new rates are in place and reflected on your bill that you received with this newsletter. The new base rate is \$34.59 and the new consumption rate is \$1.09. If you have any questions regarding your bill please contact our office at 541.923.1041

CRRWC is still down to one reliable Well

As you may recall last fall we announced that we are having trouble with coliform bacteria in Well #2 on the lower section of the ranch. To date, after repeated attempts, we have not been able to resolve this issue and have kept Well #2 shut down. As a result we are asking everyone to do their part to help conserve water through the hot months. Here are some things that can be done:

- Only water between the hours of 10pm and 5am. This is the time when the least amount of water is used for everyday needs.
- If possible only water every other day. If your house number ends in a odd number water only on odd days. Even numbers water on even days.
- Be sure you don't have any leaking toilets or faucets.

Thanks for your help and understanding.

After 3 years the Water Tower Project finally goes out for bid.

On June 17th the Water Tower Project was advertised for bid. It was advertised in the Daily Journal of Commerce, Central Oregon Builders Exchange and Oregon Association of Minority Entrepreneurs. It will be advertised on four different dates for 30 days. There will be a public bid opening at the Water Company office on July 16th at 2pm.

Because there has been some unexpected delays the estimated start date for the project has been moved back to mid September.

As dates are confirmed, up we will publish them in the next newsletter.

Annual Meeting
