## New rates go into affect May 23rd

On March 2nd the PUC Commission approved the companies request for a 29.11% increase to cover the cost of the USDA annual loan payment for the Water Tower Project and other expenses that have increased over time. The annual loan payment will be \$193,629. Crooked River Ranch Water Company currently serves 1505 members. This means that \$10.72 of each members increase will go to support the annual loan payment to the USDA.

The new Base Rate will be going from \$23.00 per month to **\$34.59 per month** with no water usage included. The usage rate will go from \$.83 per 100 Cubic Feet and \$.93 after 6000 Cubic Feet to a flat **\$1.09 per 100 Cubic Feet with no tier rate**. We have provided a chart so that you can see where your bill may fall with the new rate structure.

The entire list of Tariffs will be available in our office or on the website in middle of May, as soon as they have been made available to us.

## We are looking for Nominating Committee Members for the 2014 board elections

Members of the nominating committee will assist in the recruitment of qualified candidates for the board, they will also verify the eligibility of each candidate according to the company By-laws. The board will make the final decision on the 4 members that will be on the committee and they will be announced at the May 13th board meeting. If you are interested in becoming a committee member please send an email to: [2015boardelections@crrwater.com](mailto:2015boardelections@crrwater.com)

### Water Tower Project Update.

Work continues on the final design phase of the Water Tower Project and the easements needed. We are currently on schedule to start construction this summer with completion of the project in October of 2016.

Once we have a project start date and construction schedule we will have a meeting with home owners around that project site that will be directly affected.

The image to the right shows the project work area and the location of the new tower and other key facilities. If you have any questions regarding the project please email me at: [frank@crrwater.com](mailto:frank@crrwater.com) or call our office.
